Accessing Union Windows Virtual Desktop
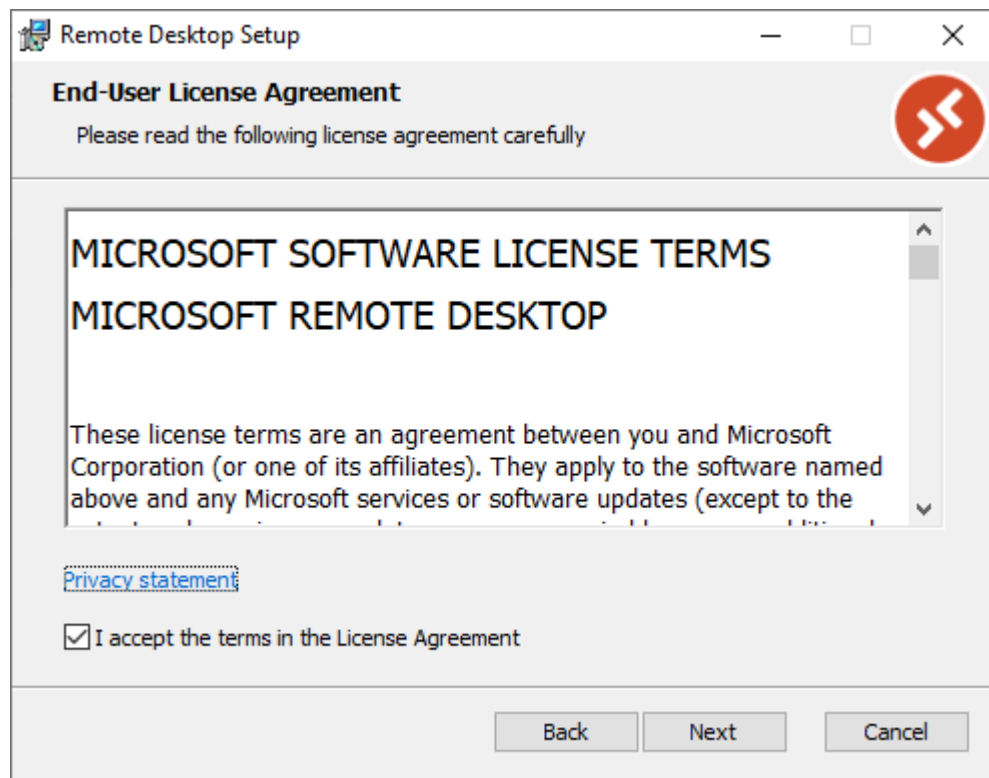

Accessing from Windows

1. **Download Windows Client https://go.microsoft.com/fwlink/?linkid=2068602**

2. **Install Client once downloaded (RemoteDesktop_1.2.xxx_x64.msi)**
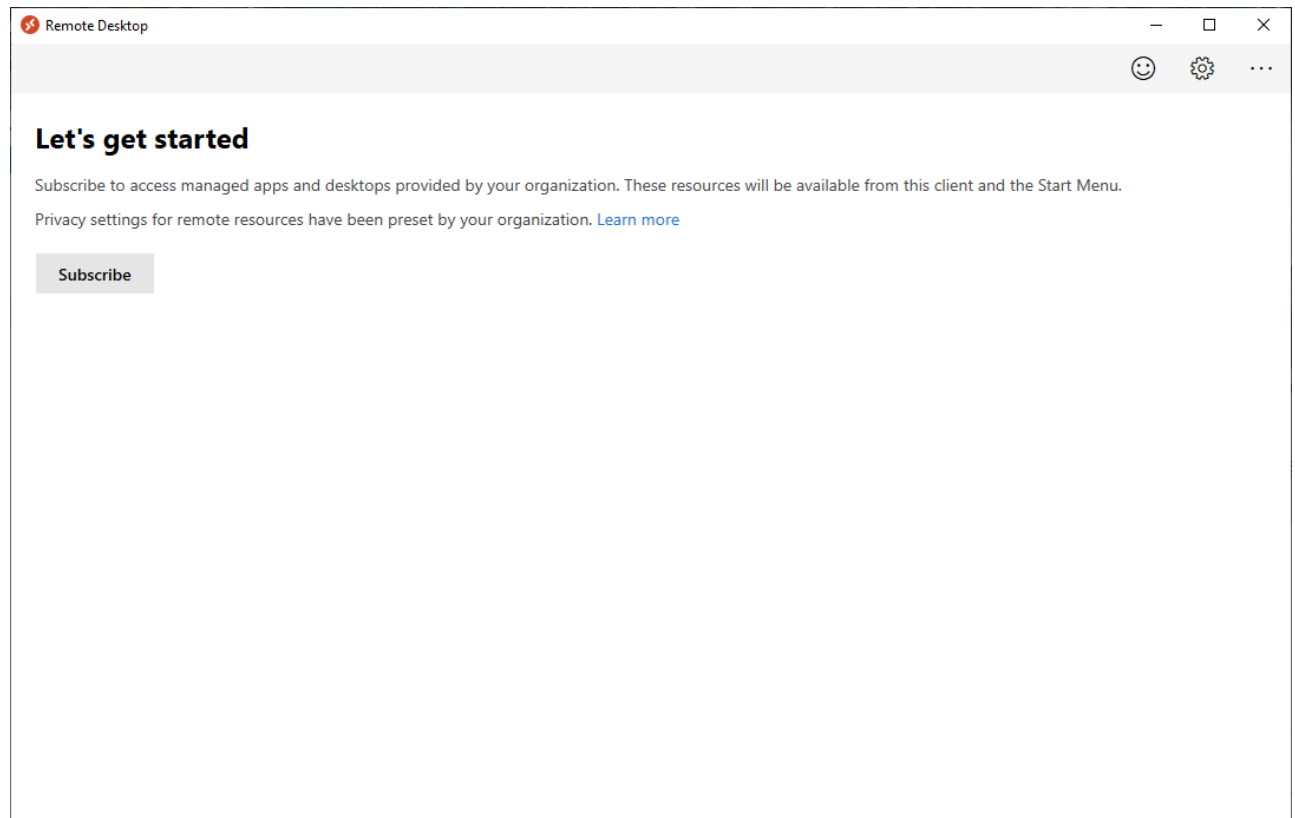

3. **Click Next**
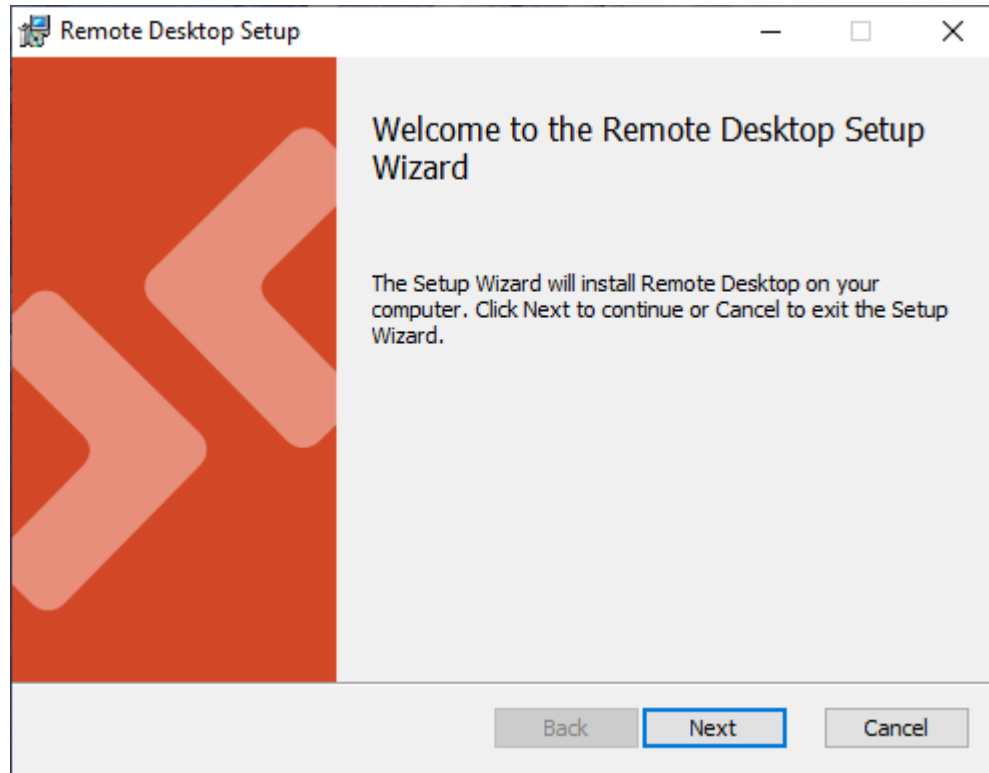

1. **Accept Agreement and Click Next**

2. **Choose Install Just for you and click Install**

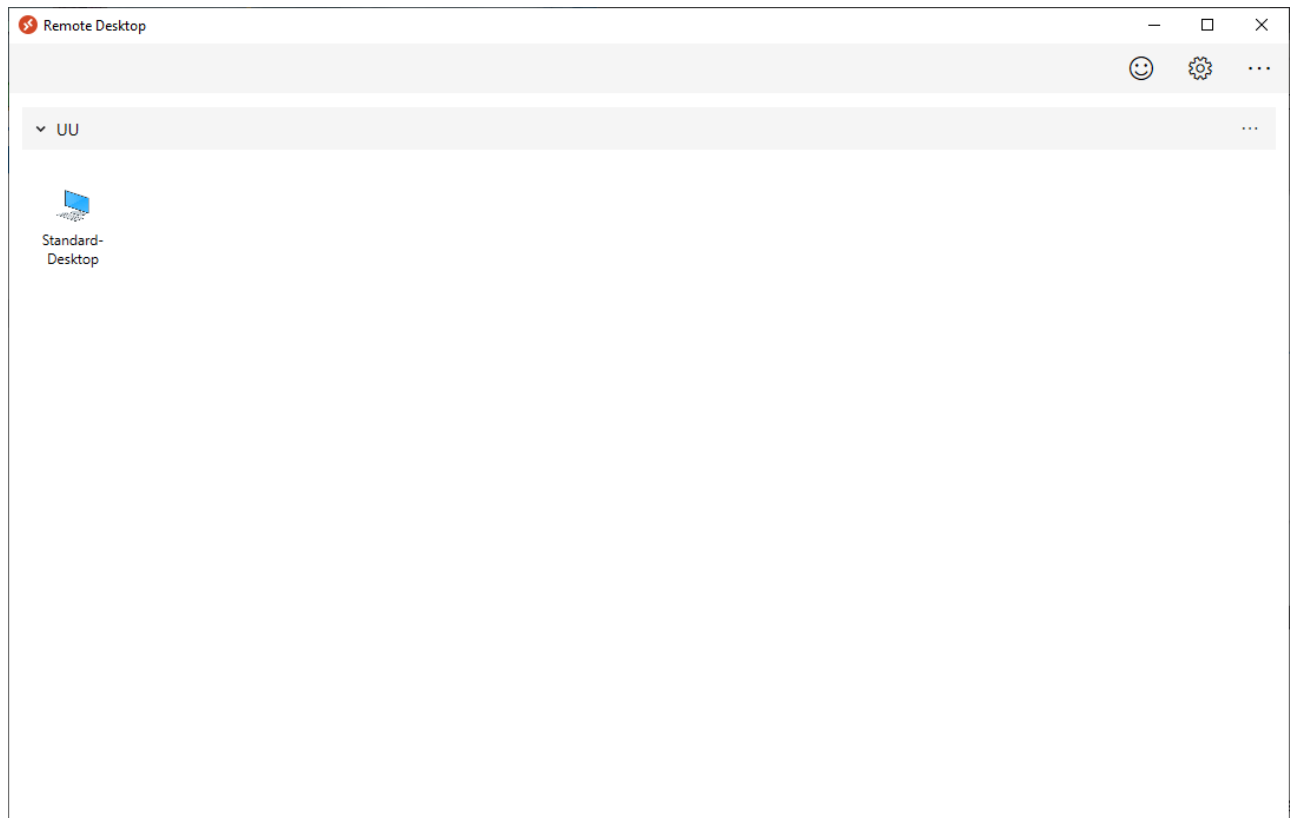

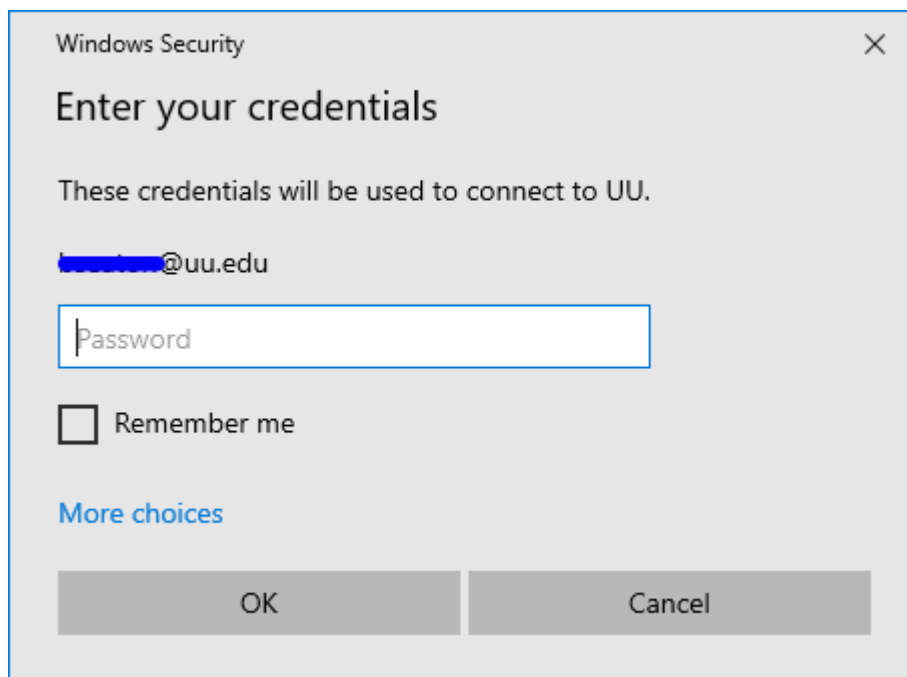

3. **Click Subscribe to a feed**

4. **Login with your Union Account Information.**

5. **Double Click Standard-Desktop**

6. **Enter your username and password**

[!NOTE] First Login will take a few moments as it sets up your user profile and will automatically setup OneDrive Client.
